OUR MISSION

Guide Church exists to guide people into a growing relationship with God.

We are a church, not collecting church people, but truly reaching lost people and helping them really fall in love with God and His Word.

DEUTERONOMY 6:6-7

“AND THESE WORDS WHICH I
COMMAND YOU TODAY SHALL BE
IN YOUR HEART. YOU SHALL
TEACH THEM DILIGENTLY TO
YOUR CHILDREN, AND SHALL
TALK OF THEM WHEN YOU SIT IN
YOUR HOUSE, WHEN YOU WALK
BY THE WAY, WHEN YOU LIE
DOWN, AND WHEN YOU RISE UP.”

OUR HISTORY

2012

Seven adults move from Oklahoma to Ohio to start a new church.

2013

We move into one unit in a warehouse on Northwest Pkwy in Hilliard.

2018

We raised \$40,000 for a second campus, and are given a building at 75 Hilliard Rome Rd. We renovate the South Campus and finish expansion at the warehouse.

2022

After running out of space at the warehouse we are given our current North Campus on Britton Pkwy.

2025

After running out of space and parking doing two services at South Campus, we are stepping forward in faith to build a new auditorium where more people can encounter God.

WHAT WE ARE SEEING

1

Guide Church will turn 14 in October 2025. Our church has experienced steady and consistent growth.

2

We have an amazing balance of a family feel while still constantly welcoming others in.

3

In 2017 God led us to become a multi-site church with a vision to surround our city with a church that makes God's Word a big deal.

4

In 2023 We began preaching through the Bible chronologically, further committing ourselves to guiding people to fall in love with God's Word.

A UNIQUE AREA

Columbus, Ohio is on the front lines of a coldness towards the things of God in the Northeast area of our country and moving south. Guide Church has been a faithful soldier in fighting with authenticity and urgency. With the great growth that we have experienced over the last 5 years, this expansion would give us a chance to connect to more people before and after the service, and give us more **unhurried** time to explain God's Word.

A UNIQUE LEGACY

One generation shall praise Your
works to another, And shall declare
Your mighty acts. Psalm 145:4

When asked what will result if we don't
meet this challenge, our growth will be
stifled and new people will be turned away
from having a seat and a place to hear about
a real God that connects to their real life.

Future generations of your family and
friends eternities depend on Guide Church!

A UNIQUE CHALLENGE

38% increase in attendance from
2022-2025

51% increase in giving from
2022-2025

God has blessed us and continues to bless us with unprecedented growth both in attendance, giving and increasing reach and impact through our one on one discipleship. However, the spaces needed to invest in this generation and the ones to come are inadequate, outdated and do not reflect our best to those who matter most to us.

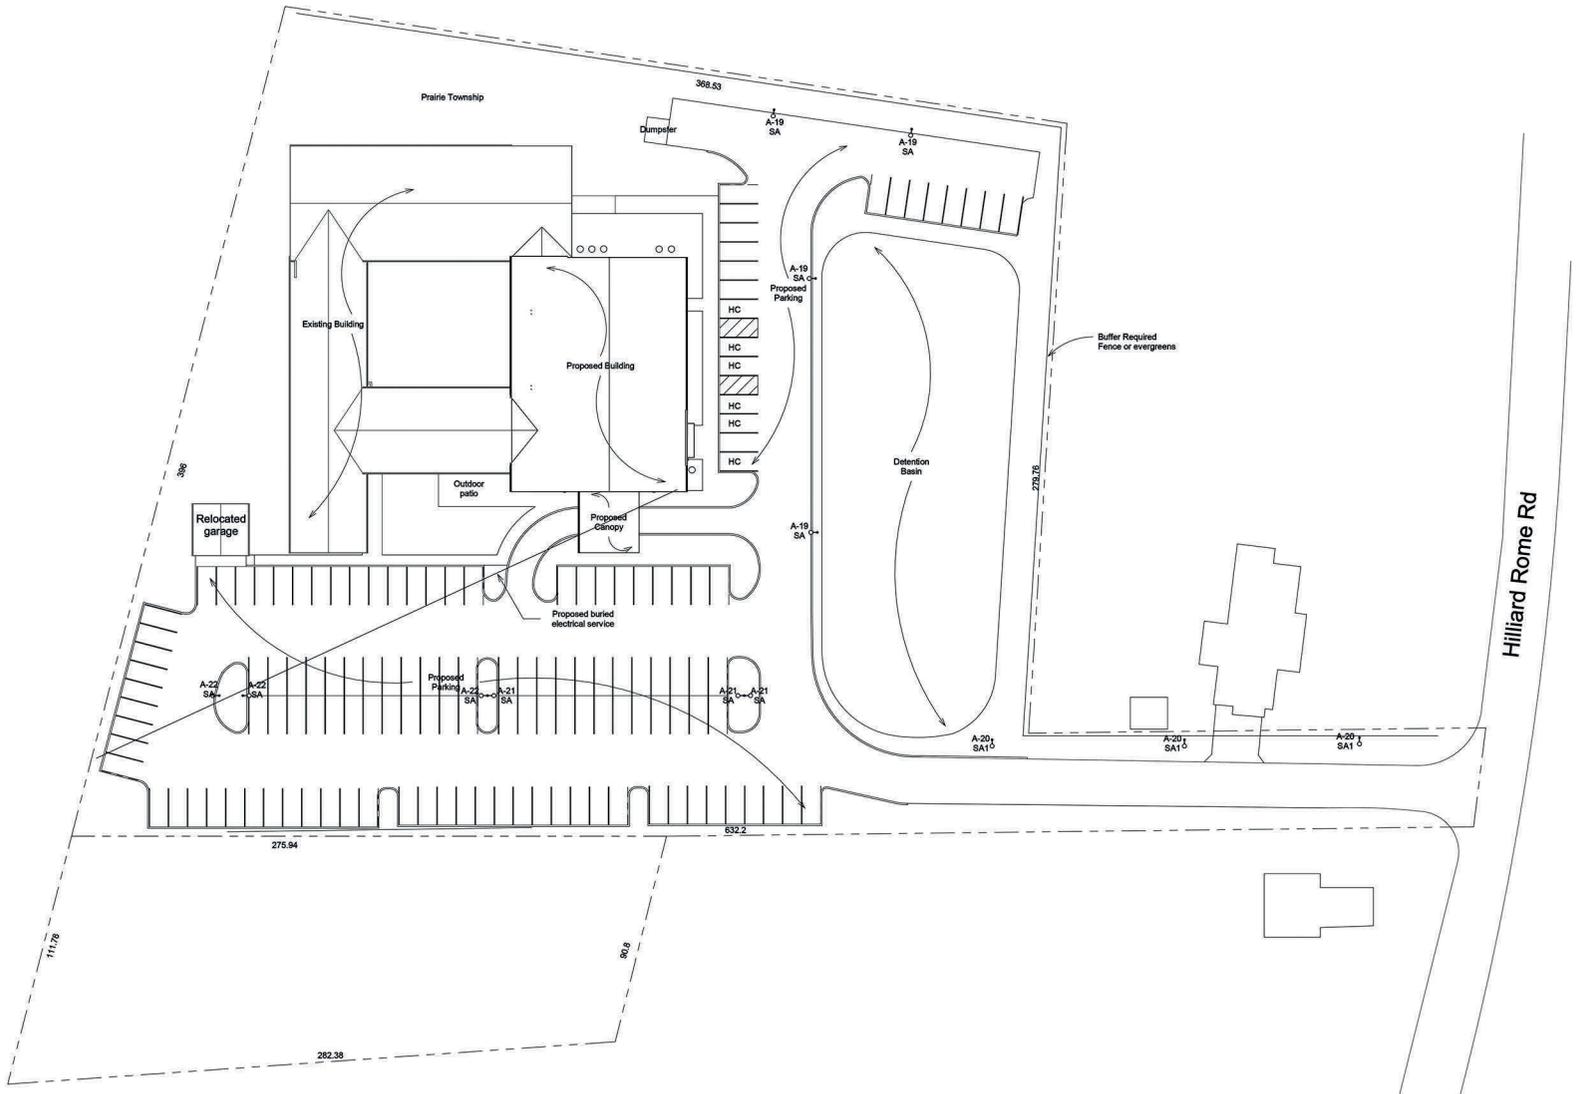

WHAT DO WE DO?

We have the land and the space, all we have to do is build on what God has already blessed us with. The building of a new auditorium at our South Campus and the addition of church signage at our North Campus will extend our impact on those who still need to be reached in Columbus.

OF LIFE CHANGE FOR
GENERATIONS TO COME?

WHAT WILL HAPPEN?

We believe these newly constructed areas will be places where salvation and growth happen in peoples lives from birth to adulthood. The knowledge of God's Word will be realized and lived out in a real way creating lasting impact in the lives of their families, friends, co-workers, and world.

There is another cost that cannot be measured in dollars. The individual growth that a step of faith like this creates in believers.

WHAT WILL IT TAKE?

Together, we can achieve our goal of raising \$1.65M over the next three years with the expectation that we'll finance the remaining balance. Every gift, big or small, makes it possible for us to Build the Kingdom for years to come.

Commitments are above and beyond your regular giving over a 3-year period

FAQs

When will work begin?

We plan to begin work in the spring of 2026. Construction companies will not put you on the schedule unless you have the funds to build. So if we waited until all the funds were raised we wouldn't be looking to start for years. To get started in 2026, we are approved for a construction loan that we only pay interest on what we use so that we can start the project while raising the funds.

What about the 2% we have been giving above our regular giving?

That money was specifically raised for the new parking lot at South Campus which is not listed in the breakdown of the cost involved for this new project (page 19). That is currently being held in a high yield savings account. We have not started the parking lot because we have to run all the utility lines for the building (before redoing the parking lot) otherwise we'd be digging it up after completing a new parking lot.

How many people will the new auditorium seat?

The new auditorium will seat 439 people which is more than double the size of our current auditorium.

What will happen to our current auditorium?

You may have noticed the strain on space in our services and parking lot at South Campus, but there are also unseen pressures in our nursery, preschool, and gKidz areas. This expansion gives us the opportunity to grow and develop these spaces to provide families a place to connect and thrive.

Why does the cost of connecting the new auditorium to the current building seem so high?

Once the new auditorium is connected to the current building, it will close off that outdoor space into a courtyard that will need drainage and that is included in the cost. We plan to put a playground for the kids in that enclosed area which will be nice and secure.

Will we continue to meet in the building while the new auditorium is being built?

We should be able to continue to have regular services with the possibility of a few Sundays where we may need to have a united service at our North Campus.
